

# Congratulate Edith Nugent, RN

## DAISY Award Winner!

March 2015

**Edith Nugent, RN** on the Post-Surgical Unit is Memorial Hospital and Health Care Center's next DAISY Award Winner!

Edith has demonstrated in many ways how she goes above and beyond her call of duty as a nurse for not only her patients, but everyone around her. Her nominator described her as, "a nurse who demonstrates the mission and values of Memorial Hospital."

As a DAISY Award winner, Edith was gifted with a DAISY pin, certificate, award sculpture, and Cinnabons for the whole department. Thank you, Edith, for your dedication to your patients and to Memorial Hospital and Health Care Center!
