**Indiana Healthcare Representative:**

A Healthcare Representative is a person chosen by you to make healthcare decisions, including end-of-life decisions, if you are unable to make your own. It is a good idea to talk with this person about your preferences ahead of time. A doctor will determine if you are unable to make your own decisions.

My name (Full Legal Name – also known as “declarant”)

Date of Birth (MM/DD/YYYY)

---

My Healthcare Representative can make decisions for me if I cannot make and share my own healthcare decisions. My Healthcare Representative must follow my wishes and values. My values include my ideas about dignity and quality of life. If my Healthcare Representative does not know my wishes, my Healthcare Representative must act in good faith and make decisions in my best interest. These decisions include but are not limited to:

- Agreeing to medical treatment
- Refusing medical treatment
- Stopping medical treatment
- Arranging comfort care

**OPTIONAL STATEMENT OF END-OF-LIFE PREFERENCES:**

I would like to provide some additional guidance for my Healthcare Representative on my end-of-life preferences. (Please select only one option below).

\_\_\_\_\_ If I am unable to make my own decisions and my attending physician believes that I will not recover, medical treatment may be forgone or withdrawn if they do not offer reasonable hope of benefit to me or are excessively burdensome. I would want continued medical care to make me comfortable and to relieve my pain.

\_\_\_\_\_ It is more important to me, no matter how sick I am or how unlikely my chances for recovery are, for my life to be prolonged to the greatest extent possible, in accordance with reasonable medical standards.
